**Rule 2:** The sides of affiliated clubs whose headquarters are not more than 80 kilometres from the GPO in Dublin will be formed into divisions by the Council who will have power to divide a division into sections. Further divisions may be set up that involve clubs whose headquarters are more than 80 kilometres from the GPO in Dublin.

**Rule 3:** It will be the duty of the Honorary League Secretary and the Honorary Competitions Secretary to prepare and submit to the Council each year for approval (1) a list of league and cup fixtures (2) a list of dates for each round of the various knockout competitions.

Where there is a change in the composition of the teams in any league other than the annual promotion / demotion swaps the league must be redrawn for the following year. Where the only change is caused by promotion / demotion the promoted team will take the place of the demoted team in the fixture list and the demoted team the place of the promoted team. The home and away sequence of league fixtures will then be reversed for each succeeding year. This means that where club A plays club B at home in part 1 of the season Club A will play club B away in the first half of the next season etc.

All knockout competition draws will be made by the Honorary League or Honorary Competitions Secretary and two other members of the Executive who will fix the venues of all games unless otherwise provided by the rules.

An entry fee of €10 will apply for each cup competition. No money is to be sent with the entry, the Honorary Treasurer will then invoice each club with the competition fees and the affiliation fees, which must be paid as per Constitution Clause 9.

**Rule 4:** Where a club enters more than one team in any division players who play on one team in a division are ineligible to play for any other team in that division. **Rule 5:** Before the 1<sup>st</sup> of April in any year each club must return by email to the Honorary League Secretary and Honorary Competitions Secretary a full list of the names, addresses, and if available, telephone numbers and email addresses of members entitled to play for the club.

The name, address, and if available, telephone number and email address of any member joining after that date must be returned in writing to the Honorary Competitions Secretary and the Honorary League Secretary before such member takes part in any competition or league match. A fine of €100 will be levied on clubs failing to meet the deadline stated in this rule.

**Rule 6:** Entries to the BLI championships must be on the official entry forms, which must be emailed to the Honorary Competitions Secretary not later than 5.00pm on the closing date as notified on the official entry form. No money is to be sent with the entry form. The Honorary Competitions Secretary will send the Honorary Treasurer the number of entries for each club within 4 days of the closing date, The Honorary Treasurer will then invoice each club with the competition fees and the affiliation fees, which must be paid as per Constitution Clause 9.

All BLI Championship fixtures, in each round of the various Singles, Pairs, Triples and Fours competitions will be shown on the Irish Lawn Bowls Website in a playdown sheet format but not including the semi-final stage.

A fine of €100 will be levied on clubs failing to meet the deadline stated in this rule.

**Rule 8:** The Council during the playing season will examine the lists of registered players returned by the clubs and if any player is found to be unacceptable will require his club to register another player in his place.

**Rule 9:** Clubs wishing to alter their lists of registered players must notify the Honorary League Secretary in writing stating the reason for the change. Alterations in the list will be effective on receipt of an email from the Honorary League Secretary approving the change.

**Rule 10:** The Honorary League Secretary will ensure that a list of all registered players is posted on the BLI website not later than 1st May in any year and will ensure the website is updated with any subsequent alterations.

**Rule 11:** Any club playing a member ineligible under these competition rules and requirements will, in the case of a cup match forfeit the tie or, in a league match the points at stake in the match to their opponents. For both cup and league matches, in addition to the above, a fine of €100 will be levied. The Honorary League Secretary will notify both the offending club and their opponents of any forfeiture incurred under this rule within 28 days of the match in which the offence occurred. Players, who have played 5 matches in either Division 1 or Division 2, or a combination of 5 matches in both divisions, will no longer be eligible to play in divisions 4, 5, O’Dea Cup, and the Shott Cup in that season.

A player who has played no more than two league matches for a team in a division higher or a combination of higher divisions than the team he normally plays for may play in one cup match associated with the higher division without being barred from playing in a lower level cup competition. A player who has not played in a higher division is also allowed to play in one cup match associated with the higher division without being barred from playing in a lower level cup competition.

Selectors of teams involved appointed under Constitution rule 4, the President, Honorary Secretary and Umpires can be included in the number needed for a postponement if they are registered players on the team seeking the postponement.

This rule will apply up to and including the first Tuesday in August, thereafter to the end of the season the game will be played on a date to be fixed by the Executive Committee, who may also reduce the number of ends to 18.

Open Challenge, Crumlin Cup, O’Dea Cup and Shott Cup matches can be postponed for the same reasons in which event a new date will be fixed by the Council or Executive committee.

For the purpose of this rule the week is deemed to commence on Sunday.

Clubs seeking a postponement because they have two registered players from that team engaged in a BLI selection, National Championship, British Isles Championship, international competition or international practice must give seven days written notice of their intention to the Honorary League Secretary.

Players due to play a BLI championship match who are engaged in a BLI selection, British Isles Championships, international competition or international practice on the same date will be given an extension of five days from the closing date of the competition. Seven days written notice of their intention to seek an extension must be given to the Honorary Competitions Secretary.

Players required to play a championship match in a green more than 100 kilometres from their home green will have until the Sunday following the closing date to play their match.

**Rule 15:** In the event of a game that has commenced being stopped as per the Laws of the Game, the game must be completed no later than fourteen days from the date of stoppage or as decided by the Council or Executive committee as appropriate. If the clubs concerned cannot agree a mutually agreeable date, then the Council will fix a date for the match to be played and their decision will be final. If either or both clubs fails to turn up to play on the date fixed by Council, then they will have deemed to have given a walkover and a fine of €100 will be imposed on the club who fails to turn up or on both clubs if both fail to turn up.

**Rule 16:** Official scorecards in respect of all league and cup matches will be signed by the captains of each side playing on the day and it will be the responsibility of the winning captain to post the card in time to reach the Honorary League Secretary within four working days from the date on which the match was played. The Honorary League Secretary has the authority to impose a €25 fine on clubs where a master card is not returned within the set time or not filled out correctly.

In the event of a drawn game the home side will have the responsibility for posting the card. It is the responsibility of both captains to text the result of all league and cup matches to the webmaster, within 30 minutes of the match finishing.

**Rule 17: Daytime matches** will start at 2.30pm except where two matches are scheduled for the same green on the same day. In this case the lower division match will start at 10.30am.

**Veterans matches** will start at 11.00am.

**Evening matches** will start at 6.30pm except before the second Monday of May and after the first Monday in August evening matches will start at 6.00pm due to lack of light.

A league match may be brought forward by mutual agreement and written confirmation of such agreement must be sent by the appropriate team captain and/or secretary of each club to the Honorary League Secretary or in his absence an officer of the BLI. If no such correspondence is received it is presumed that the match is to be played as scheduled and whichever team does not attend is considered to have conceded a walkover.

An extension may be granted by the Council at its discretion. Such requests must be in writing and will only be considered at a full Council meeting, to be held before the scheduled fixture date.

**Rule 18:** All matches must commence not later than fifteen minutes after the time fixed and if not so commenced the match may be awarded to the competitor/s ready to commence play at the prescribed time. A match commenced on one green cannot be resumed on another green except by mutual consent.

**Rule 19:** If a team concedes a walkover, their opponent will be awarded full match points. In the case of a Cup match the tie will be awarded to the opponents.

**Rule 20:** If a club has to give a walkover in a league match, then such walkover must be in the lowest division i.e., the higher league fixtures must be fulfilled first.

A club whose teams give a walkover or withdraw from a league or cup match will be required to provide written explanation to the Honorary League Secretary. For Division 1 and 2 league matches, should such explanation be deemed to be unacceptable by the Council they will be deducted match points relevant to their divisions per walkover, effective for the following season. For all other divisions should such explanation be deemed to be unacceptable by the Council they will be fined €100.

For cup matches, should such explanation be deemed to be unacceptable by the Council they will be fined €100 and the club will not be eligible to compete in that cup competition in the following year.

**Rule 21:** Clubs undertaking tours/holidays are required to seek permission from the Council in writing.

**Rule 22:** An arrangement to agree one shot on the first two ends in lieu of trial ends is not in accordance with the Laws of the Game. Teams who adopt this practice will be penalized by the loss of points or disqualification.

**Rule 23:** Teams will not forfeit home advantage without prior approval of the Honorary League Secretary.

**Rule 24:** Clubs will submit to the Honorary League Secretary before 1st February, their entries for league and cup competitions for that calendar years season. After that date, clubs that withdraw teams from league or cup competitions will be required to submit a written explanation to the Honorary League Secretary for review. Should no explanation be received, or should the Council deem the explanation to be unacceptable, the offending club will also be fined €200.

**Rule 25:** League, cup and championship matches will take precedence over domestic competitions and tournaments. Any club wishing to host an open tournament in the following season will submit their request to the Honorary Secretary in writing at least two weeks before the January Council meeting, for Council's approval, at the January Council meeting. Requests for open tournaments will not be considered at any other time.

**Rule 26:** Umpires may be appointed by the Council for any match and they will perform their duties in accordance with the laws of the World Bowls Board.

The captains in a sides game and the skips in a team game must ensure that all the laws of the World Bowls Board are strictly adhered to during a game.

**Rule 27:** The first drawn of each two in any round of the Singles, Pairs, Triples, Fours and Senior Fours competitions will be the challenger and will, with the exception of the semi-finals and finals which will be played on neutral greens except where the Council will otherwise decide, have choice of green and rinks will be decided by draw from prior bookings.

In the case of a singles match the home player will provide a marker. In the event of no rink being booked or available or in the case of a singles match no marker has been provided, the tie will be awarded to the opponent. In all cases league matches will take precedence on rinks designated by the club. Where designated rinks are not in consecutive order in a league or cup match, no other game will be played on intervening rinks.

Once the draw for rinks has taken place the rink settings cannot be changed.

The challenger will arrange with the opponent for the playing of the match drawn on or before the closing date fixed for the round. If for any reason no such arrangement has been made the match will

be played on the green of the challenger at 6.30pm on the closing date and if either fails to appear the match will be awarded to the other, and if both fail to appear both will be eliminated from the competition.

If the green is unfit for play by reason of inclement weather or otherwise unplayable, then the match must be played within four days. A subsequent postponement must be played within two days. The result of the postponed match should be telephoned to the Honorary Competitions Secretary on the same evening it is played.

Score cards giving results of all matches together with the names of all the participants must be kept by the winners until after the following round in case of a dispute. Results should be emailed / texted to the Honorary Competitions Secretary not later than three days following the match. The email / text should contain competition name, match number, all players' names and substitutes if used.

If the email / text is not received by the Honorary Competitions Secretary within three days of the match being played (or in the case of a match being postponed due to the green being unplayable, or the result not having been telephoned in), then the match will have been deemed not to have taken place and both sides will be eliminated from the competition.

The semi-finals and finals will be played on a green on which the Council will decide two years in advance at the first meeting after the AGM. Greens will only be considered on receipt of a written request from the club secretary. When deciding on the location for the championships Council should give consideration to alternating between a grass and synthetic green each year.

**Rule 29:** Members of each club may make their own arrangements with reference to the formation of Fours, Pairs and Triples but any entry not containing the required number of names to complete a Pair, Triple, or Fours will be void. The entry will constitute the original players. Before the start of the first round should one entrant in the Pairs, Triples or Fours competition be forced to withdraw through illness or other unforeseen circumstances which would prevent him from taking part in the competition, another member of the club who has not entered or played in the competition may be nominated and automatically becomes the original entrant for the competition. In Singles, Pairs, Triples and Fours, the player who has withdrawn will no longer be considered an original entrant and may act as a substitute as defined in rule 30. Such nomination with full details must be received in writing by the Honorary Competitions Secretary not later than the closing date of the first round of the competition.

**Rule 30:** Not more than one player may be used as a substitute in Pairs, Triples and Fours. The player acting as substitute must not already have entered nor played in the competition in which he is to act as substitute. The original player must be reinstated for subsequent games if he so desires. The same substitute must be used for any Fours, Triples or Pairs if again required.

**Rule 31:** All cups and trophies for the League, Cup, BLI Championships and the Bowler of the Year are the property of the BLI and should be brought to the June Council meeting each year for cleaning and restoration.

All other cups and trophies should be brought to the September Council meeting each year to be engraved.

They will be presented at the annual dinner to the relevant winner, who will sign for their safekeeping and return in the same condition that they received them. Any damage or loss incurred will be the responsibility of the club that received them.

**Rule 32:** All outstanding fines and monies must be paid on or before the next Council meeting after the fine has been imposed. Failure to do so will result in the team involved being barred from competing in any league or cup competition resulting in loss of points in the league or concession of a walkover in a cup.

### **LEAGUE FORMAT**

All divisions or sections will have a maximum of 10 sides except for Division 3 which can have in excess of 10 sides.

- Division 1 will play for Stephens Cup
- Division 2 will play for the Nutley Cup
- Division 3 will play for the Cullen Cup
- Division 4 will play for the Cooper Cup
- Division 5 will play for the Cassoni Cup
- Division 6 will play for the Deceased Members' Cup
- Veterans 1 will play for the Veterans Trophy
- Veterans 1 will play for the Sean Doyle Cup
- Veterans 1 will play for the Westmanstown Cup

In Division 1, 2 and 3 four fours will form a side, in Division 4 and 5 three fours will form a side and Division 6 two fours will form a side. Each side will play every other side in the division twice, once at home and once away, subject to any exceptions the Council may make.

In Divisions 1, 2, and 3, 18 ends will be played whereas in all other divisions 16 ends will be played.

Matches will be decided on the aggregate number of shots scored by the respective sides. 3 points will be awarded to the winning side in Divisions 1 to 5 as well as the Southern League and 2 points in Vets 1 to 3 with the points divided by two in a drawn match. One point for each winning rink will be awarded to each side and 0.5 points for each side in a drawn rink. Both captains must sign a master result card for each match played and must mark on the card the points claimed for the match.

The side finishing with the highest number of points on the completion of the league will be deemed the winner. In the event that two or more teams end up with an equal number of points then the team with the highest number of match points will be declared the winner. Where match points for teams are equal the team with the highest shot difference (total shots for minus total shots against throughout the league) will be declared the winner. Should these figures be equal then the team that has scored the highest number of shots in the league will be declared the winner. This process will also be used to decide upon the last placed team.

In Divisions 1, 2, 4, Vets 1 and 2, the side finishing in last place will be relegated to the next lowest division. In Divisions 2, 3, 5, Vets 2 and 3 the side finishing first will be promoted to the next highest division.

Promotion and relegation will be automatic unless the BLI Council decides that due to lack of numbers, promotion or relegation in any division would not be in the best interest of the League.

Where it will not cause the total number of teams in Division 5 or 6 to exceed 10, a club may have two sides. In Division 5 where a second side is entered 12 players must be registered for that side. Once a player plays for one side as an original player or a substitute he will be also deemed to be registered for that side and may not play for any other side in Division 5.

If there are 10 teams in Division 5 or 6 and a club that does not already have a team in division 5 or 6 requests to join then if there is one or more clubs with 2 teams in that division the lowest placed such team will be removed in order to create a place for the requesting team. In no circumstances may the total number of teams exceed 10.

There will be no relegation from Division 5 and no promotion nor relegation from Division 6.

### **VETERANS LEAGUE**

The Veterans League is confined to members aged 55 and over on April 1st. Two fours will form a side. 16 ends to be played.

The League will consist of the required number of divisions such that each division has between 8 and 10 teams, depending upon entries received. The number of teams in a division will be equal when the total number of teams in all divisions are evenly divisible by the number of divisions. Where the division results in a remainder the additional teams will be assigned one at the time to Division 1, 2, 3 etc. Council will decide in February in consultation with the Honorary League Secretary how many teams will be relegated / promoted to comply with this rule.

The winner of the Veterans League will be the top team in Division 1, as decided by the provisos for the Stephen's Cup, and will receive the Veterans League trophy. Promotion and relegation will be in effect as prescribed for the Stephen's Cup. Trophies and medals will be awarded for Divisions 2 and 3 in the same manner as all other BLI divisions.

The league will be played between clubs outside Dublin and in the Southern part of the country. Three fours will form a side and 18 ends will be played. The matches will be played on a Sunday and will commence at 2.00pm.

### **GENERAL**

The Council will have the power to divide any of the foregoing divisions into two or more sections, and to decide in what manner such sections will be played. A playoff between section winners will take place at a neutral venue to decide the winner of any division. The decision on allocation will be made at the August Council meeting.

Clubs must accept responsibility for all trophies won by their members.
